

Friday 4th March 2022

Dear Parents and Carers,

Following the success of Breakfast with a Book during National Storytelling week, we are delighted to announce our upcoming opportunity to experience Maths games and puzzles with your child.

*“Mathematics is not about numbers, equations, computations, or algorithms. It is about **understanding**.” William Paul Thurston.*

As part of this special week, we would like to invite you to ‘Cupcakes with Calculations’. This gives you the opportunity to come into school and share a Mathematical game with your child/ren and we will provide cake to keep you fuelled! Whilst you are here, you will be able to ask any questions that you may have about Maths and we can share some useful tips too.

The format of the week will be as follows:

Monday 7 th March 2022	Reception and Year 1
Tuesday 8 th March 2022	Year 2
Wednesday 9 th March 2022	Year 3
Thursday 10 th March 2022	Year 4
Friday 11 th March 2022	Years 5 & 6

We will be running each session from 2:30–3:10pm each day and we politely request that only one adult per child attends and that any young children are kept on your lap at all times.

If you have any questions about this event, please do not hesitate to contact me via the school office.

Kind regards

Mrs Towey
