Autumn Term

It is hard to believe that we have only been back for two full weeks! I have been once again amazed by the adaptability and resilience that our children have shown here at Kingsway. Children have very quickly become used to the new 'normal' and appear to be thriving in their learning across all year groups.

Thank you too for your continued support in implementing new safety measures around school. We appreciate that these measures have impacted on your own morning routines, but they have been crucial in enabling the school to reopen, and indeed, remain open. It is vital that these timings and the one-way system around school continue to be adhered to.

Kindest regards,

Mrs S Byrne

Headteacher

Paralympian Visit

Following in the footsteps of Joe Roebuck (Olympic swimmer) and Meghan Beesley (GB 400m hurdler), we are delighted to welcome Darren Harris to Kingsway on Friday 25th September.

Darren is a dual Paralympian and England's most capped and most decorated blind footballer. He represented team GB in the London Paralympics and has won 7 World Championship medals over the course of his career.

Although fitness sessions will be different to previous years due to Covid- 19 restrictions, Darren will still lead reduced sessions with each class, as well as talking to pupils about his life and career.

We cannot wait to meet Darren on the 25th!

PSHE

Along with this newsletter, you will be sent an information leaflet about the PSHE scheme that we are following at Kingsway School, complete with a run down of the main areas that children will be covering. Please let us know if you do not receive it.

Parking

Usual reminder about parking – I know before and after school are busy and difficult times of the day but can I remind you all that we are in a residential area and need to be mindful of our neighbours. Please do not park or block drive entrances or park on the zigzag yellow lines directly outside school. Thank you for your understanding and cooperation

P.E Kits

A reminder that P.E kits will be sent home weekly so that they can be washed. Kits should consist of a white t-shirt, black shorts and pumps/trainers. In the winter months, children will need black joggers and a plain black sweatshirt. Many thanks for your continued support.
